Dear Joseph Puentes:

This is my agreement that I will do my own genealogical work and research. I am looking for any records of my grandparents and great grandparents and descendants. They are from around the area of Fresnillo, Zacatecas Mexico. I am searching for Valenzuela and Martinez family records. I appreciate your consideration in joining your group and if granted access and accepted by nuestrosrancho.com I will share all my information and findings with other members of the group. Thanks again and hope my application is accepted.

Sincerely,

A handwritten signature in black ink, appearing to read 'Juan F. Martinez', with a long horizontal flourish extending to the right.
